

District Affairs In Excellent Order Survey Reveals

Former Manager Is Praised For Development Of Local District

A through study of the operation of the Truckee Public Utility District, as requested by a petition directed to the board of directors, has been completed and a report made by Edwin Fleischman, consulting engineer, employed for the project.

The report not only failed to disclose any discrepancies in the district's operation, but was complimentary for the most part. Although the report contained 64 explanatory pages, the summary bears the following excerpts:

The operations of the district are small, as utilities go, and thus require exceptional skill to conduct them efficiently.

Praises Operation
The present condition of the operation at Truckee is a healthy one. That it is so is a tribute to the care and tireless assiduity of the general manager, who has just retired after acting in that capacity practically since the inception of the district, and to the public-spirited interest of the boards of directors over the past years.

The district owns its property free and clear with no bonded indebtedness outstanding.

The rate of return of the electric department has improved in the past few years, but, while it may decline slightly in the fiscal year 1958-59, it will still be adequate, since return is, in effect, the payment made to the owners of the equity or the bond holders of a business. Here, there is no outstanding debt, and the equity owners are the residents or customers of the district.

Water Too Low
The rate of return of the water department has been declining for

Truckee Fails To Benefit From Tax

The state board of equalization announced last week that a record total of \$52,286,695 in local sales taxes had been certified to Controller Alan Cranston for distribution to the 49 counties and the 293 cities that have contracted for state collection of such taxes during the fourth quarter of 1958.

Sales and use tax revenues distributed to Nevada County and all of its jurisdiction during the first quarter of 1959 amounted to \$68,179. The county will receive \$41,336, the City of Grass Valley will receive \$20,295, Nevada City \$6,548.

Truckee, an unincorporated town, will receive nothing, although collection of taxes here probably exceeded those at Nevada City during the quarter.

Commencing in mid-April, uniform sales and use tax revenues will begin flowing into Sierra County and the city of Loyalton, where state-administration local sales and use taxes became payable on January 1.

Because of its unique position as an unincorporated town, Truckee stands to share only as the balance of the county while the two cities are allocated a large percentage of what they collect.

TRUCK DRIVER GETS JAIL TERM AS DRUNK

Vergil L. Rocha, a 33 year-old truck driver, pled guilty to a drunk driving charge in the Truckee Judicial Court this week and he was sentenced to either pay a \$263 fine or serve 50 days in jail by Judge Fosten W. Wilson.

Unable to pay the fine, Rocha is now serving his 50 days in the county jail.

EDMUNDS BACK FROM TRIP INTO MEXICO

Mr. and Mrs. Cecil Edmunds have returned home following an extended motor trip which took them as far south as Mexico City. They were gone for six weeks and visited many points of interest through the southwest. In Texas they encountered a terrific dust storm but for the most part reported an enjoyable vacation.

DONNER HOTEL WILL REOPEN APRIL 10TH

A grand opening at the Donner Hotel which was recently taken over under new management, is scheduled for Friday, April 10.

Harold and Billie Bodine of Redding and Woody and Peggy Sparks of Richmond are the new managers of the hotel and dining room and are preparing a gala party for the opening.

VISITORS LEAVE
Mr. and Mrs. O. Haywood of Roseville returned home to-day after spending a week with their grandchildren while Mr. and Mrs. Charles Carroll were in San Francisco. Haywood was employed by the Southern Pacific Co. here while the round house was in operation.

Lowell Thomas Is Booster For Local Paintup Campaign

Truckee's cleanup, paintup campaign got some nation wide publicity this week from a good friend of the community—Lowell Thomas, internationally famous traveler, lecturer and news commentator.

Thomas, with Mr. and Mrs. J. P. Sawyer of Terrytown New York, were here this week to get in some skiing but the inclement weather sent them home without more than a taste of their favorite sport. Sawyer was treated at the Tahoe Forest Hospital last April for a fractured leg as a result of a ski accident.

Thomas asked to be remembered to his many friends here and promised to return. Incidentally, Thomas is a valued member of the 1960 Olympic Winter Games Organizing Committee.

Scout Fund Drive Will Start Tuesday

The annual Boy Scout fund drive will get off to a flying start at a kick-off breakfast to be held at Smart's at 7 a.m. Tuesday, April 7, "Colonel" Reg Smart announced.

There will be some 55 people on the drive and will wind it up Tuesday night.

There will be 10 "majors" and some 45 "captains" working under "Colonel" Smart.

One stipulation on this year's local fund drive is that both the Boy Scouts and local Cub Scouts benefit. In the past all has gone to the Boy Scouts of the Tahoe Area Council.

GOODFELLOWS OPEN AFTER PAINTUP JOB

Goodfellows Coffee Shop which has been closed this week, reopened this morning with its new, sparkling paintup job complete from alley entrance to the front door. Goodfellows is one of the first to redecorate under the chamber of commerce fixup, paintup program.

FOUR GENERATIONS AT FAMILY REUNION

Four generations were represented when the Fred Dolleys of Santa Cruz entertained their family last weekend.

The visitors included their oldest son and his wife, Mr. and Mrs. N. F. Dolley of Truckee; their youngest son and wife, the Jack Dolleys of White Pines; their son-in-law and daughter, Mr. and Mrs. Graham Gorman of Reno; their granddaughter and her husband, James Luke of Sacramento and the Luke children, Mark and Dennis.

FISHING ON DONNER SLOWED BY STORM

A typical spring storm with strong wind, some snow and a little rain virtually blanked out the opening day of the fishing season on Donner Lake Saturday, although many brave nimrods got the five-fish limit, mostly in kokanee.

The early morning fishing, except for the cold, was not so bad, but later in the day the wind came up an high waves sent all boats to shore.

Better fishing is expected as the season advances.

INTERSTATE WATER COMMISSION MEETS

The Joint California-Nevada Interstate Compact Commission will meet at 10:30 a.m., Sunday, April 5, in the State Building, Reno.

Colonel A. M. Barton, chairman of the California Commission, said the agenda for the one-day meeting includes a verbal report by field research company, of San Francisco, on its recent public opinion survey of the Lake Tahoe shoreline property owners regarding lake water levels.

The joint group is charged with responsibility for negotiating an agreement between the two states for distribution of the waters of the Truckee, Carson, and Walker River systems and Lake Tahoe.

In Hospital
Mrs. Steve Besio, a resident here for many years has been a patient for the past two weeks at Tahoe Forest Hospital.

State Senator To Be Selected At Election Tuesday

Six Candidates Listed For Important District Position

With only one office to be filled and six candidates in the field, the election Tuesday is not expected to attract a heavy turnout of voters, although interest during the past few days has mounted as the campaign draws to a close.

Voters in the seventh senatorial district will be asked to select a successor to Harold T. Johnson, now a representative in congress.

Two republicans, Wallace W. Brunner, Grass Valley accountant, and Bill Finger of Roseville; and four democrats, Ronald G. Cameron, Auburn attorney, R. C. Dunlap, Roseville brakeman, Harold Rubin, college instructor, and Gerald B. Wallace, Grass Valley lawyer, are filed as candidates.

In the fifth supervisorial district of Nevada County, polls will be as follows: Truckee precinct No. 1, elementary school; Truckee precinct No. 2, Justice Court; Floriston, Felesina residence; Donner Lake, Armstrong realty office; Soda Springs, Donner Summit Lodge.

The polls will be open from 7 a.m. to 7 p.m.

Two Major Vehicle Mishaps Reported

Two major vehicle accidents, each involving a truck, injured five people, two seriously, during the past week.

Mrs. Billy Lassenger, 41, Sparks, Nevada, suffered major injuries at 9:30 p.m. last Wednesday when the station wagon driven by her husband, Wayne B., was struck by an auto transport truck driven by Paul Schryer, 34, Cheyenne, Wyoming, between the two bridges at Hirschdale.

Also injured and taken to the Tahoe Forest Hospital were both drivers and Joel and Wayne, children of Mr. and Mrs. Lassenger. The truck went through the guardrail and down the embankment but Schryer escaped serious injuries. He was cited by the California Highway Patrol for speeding, not having his vehicle under control and being on the wrong side of the highway.

In another accident at Cisco Sunday morning at 4:30, James Seaman, 25, Gering, Nebraska, was seriously hurt when the Little Audrey truck he was driving got out of control and plunged down the embankment. Both the driver and his brother, Cliff, were trapped in the cab for some time. Cliff Seaman who was riding in the sleeping compartment, was not hurt, but James suffered a broken arm and possibly a broken back. He was taken to the Tahoe Forest Hospital by Truckee ambulance.

The truck was loaded with \$15,000 worth of pork products and was enroute west.

SOROPTIMISTS PLAN FOR PLAY MAY 1-2

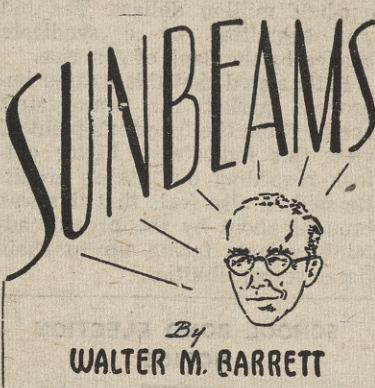

KINGS BEACH—The Soroptimist Club of Lake Tahoe gave the evening meeting of March 24, at Crystal Bay Club, over to auditions for the olio acts that are to accompany the play, "The Drunkard".

Jimmy Chastain, of Kings Beach, is directing the olio section of the evening's entertainment, which will be presented May 1 and 2, as a benefit for Tahoe Forest Hospital. Anyone wishing to contribute an act for the show is asked to contact Mr. Chastain.

Several members of the cast and olio were guests at dinner; Robert Beaverson, who is directing the play, Marge Boyer, Holly Wilson, Norman Wilson, Jack Van Allen, Virginia and Ken Ferrier, Jane Garwood, Beverly Frickstad, Mazie Carnell, and Alice Hall. Another guest, not taking part in the show was Gertrude Witt.

PASTOR RETURNS

Rev. Roy Rhoades and family returned Saturday from four days in Los Angeles where they visited his brother and family. Dick Rhoades had been in critical condition for four weeks as a result of a blood clot on the brain. The Rhoades were glad to return home after finding Dick improved, visit Pastor Rhoades' alma mater, U.C.L.A., and enjoying the unusual attractions at Disneyland.

By JOHN FIRPO

Tahoe Truckee High School's Baseball team officially opens their season tomorrow at Portola and then travel to Lovelock Saturday.

The "59" Cal Farley squad is comprised of 22 boys with one cut yet to be made. Ten of these are veterans from last year's squad.

Among the returning lettermen are Craig Robinson, right-handed pitcher who looks to be the man who is again going to carry the Wolverines pitching load. Last year he won 4 while losing 4. Buzz Trainor who last year hit in the 280s is a probable starter at short stop while Woody Ribal will handle third capable. Marty Kumble is also among the veterans and although Farley did not say a definite lineup, he is a probable outfielder.

Either Mike Robinson or Jim Loynd will get the call at second while Al Young or George Decker will handle first.

Catching will be Bob Ziegler, a transfer and Ray Cantrel also a transfer, finishing out the lineup. In the outfield will be Sam Medford, Bill Notley or Bob Merica. Completing the roster are Bucky Cadjew, Doug Kaylor, Steve Cowan, Gary Scuitto, Richard Brown, Benny Ferrari, Greg Wainscoat, Dave Decker, and Ron Germain.

Tahoe Squaws Give Fund To Hospital

John J. McGlade, administrator at the Tahoe Forest Hospital, last week acknowledged with thanks, a gift of \$300 from the Tahoe Squaws, a progressive service organization of Tahoe.

The money, McGlade said, will be used toward sound-proofing one of the rooms for pediatric cases, a long-felt need at the hospital.

"We are most grateful for the gift," McGlade said. "Such donations are sound evidence of the fine spirit which exists between the community and its hospital."

NO LIQUOR SALES ARE PERMITTED TUESDAY

In response to an inquiry, Warren Jones of Marvsville, representative of the alcoholic beverage control board, reports that the sale of alcoholic beverages during the hours the polls are open for the special election Tuesday, will be prohibited. All local dealers were asked to conform and officers will enforce the code.

WYETHIA WILL AID IN FOREST PLANT WORK

Participation in the Tahoe Forest service planting project will be discussed at the April 3 meeting of the Wyethia Club, convening at 8 o'clock in the edifice.

Mrs. William Randall, president will entertain the members and refreshments will be served.

PUBLIC LIBRARIANS HOLD CAPITAL MEET

Public librarians of Placer and Eldorado counties met last week in Sacramento at the state library for a workshop on methods of improving library service to the mountain areas. Roy Baker attended the Tuesday session where proposals for extending public library service to the Nevada County area of the Tahoe-Truckee Unified School District were discussed.

Miss Edith Gantt, librarian of Eldorado County, with the assistance of state consultants, proposes a regional development that would unite Nevada County with the counties to the south.

TAHOE WEATHER
TAHOE CITY—With all gates closed, the level of Lake Tahoe Monday stood at 6227.61 feet, subject to revision. The storm Monday left three inches of snow and 42 of an inch of precipitation. The temperature has ranged from a low of 2 to a high of 49 for the week.

TO BE

Mr. and Mrs. William Randall and children spent part of the Easter vacation in Berkeley where they visited Mrs. Joyce Randall.

Baseball Team To Open Season At Portola Tomorrow

High School Sluggers Look Good For Opening Of Season

By JOHN FIRPO

Tahoe Truckee High School's Baseball team officially opens their season tomorrow at Portola and then travel to Lovelock Saturday.

The "59" Cal Farley squad is comprised of 22 boys with one cut yet to be made. Ten of these are veterans from last year's squad.

Among the returning lettermen are Craig Robinson, right-handed pitcher who looks to be the man who is again going to carry the Wolverines pitching load. Last year he won 4 while losing 4. Buzz Trainor who last year hit in the 280s is a probable starter at short stop while Woody Ribal will handle third capable. Marty Kumble is also among the veterans and although Farley did not say a definite lineup, he is a probable outfielder.

Either Mike Robinson or Jim Loynd will get the call at second while Al Young or George Decker will handle first.

Catching will be Bob Ziegler, a transfer and Ray Cantrel also a transfer, finishing out the lineup. In the outfield will be Sam Medford, Bill Notley or Bob Merica. Completing the roster are Bucky Cadjew, Doug Kaylor, Steve Cowan, Gary Scuitto, Richard Brown, Benny Ferrari, Greg Wainscoat, Dave Decker, and Ron Germain.

Annual Carnival At School This Week

Everyone is invited to attend the annual Tahoe Truckee High School carnival which will be held in the school gymnasium Friday, April 3, between 7 and 10 p.m.

The committee representing each of the classes at the school have been busy with preparation and booths and other entertainment features are being arranged to provide fun for all attending.

The theme of the carnival this year is The Olympic Village. The band will play and various other entertainment features are on the program.

The affair is not only for the students but for everyone.

ROUNDUP TRAINING FOR SCOUTS IS HELD

The first roundup training at Galena Creek was held March 22-25 for members of the Girl Scouts roundup patrol who plan to attend the National Senior roundup in Colorado this summer, including Dorette Rose from Truckee.

March 17 the Sierra Nevada Girls Council held a regular meeting at Reno when the group was given a practical demonstration of branding and Mrs. Elliot Cann told of the operation of the council.

MOSCO SMART WILL BE ON PORT GROUP

Mosco Smart, supervisor for the First District, Nevada City, was appointed a member of the new special aviation committee of the County Supervisors Association of California.

The appointment was made by A. C. Donnemworth, Plumas county, president of the state association.

BILL WOULD PERMIT SCHOOL PUNISHING

SACRAMENTO—(CNS)—A bill to permit "reasonable corporal punishment" in public schools, when such action is deemed to be "an appropriate corrective measure," has been introduced in the legislature by Assemblyman Charles B. Garrigus (D-Reedley).

The measure, AB2299, provides for the governing board of a school district to adopt rules and regulations authorizing certificated personnel to administer such punishment.

LION VISITORS

Deputy District Governor John Lang-Jon, Activities Chairman Buz Byerly and Past President John Ferrera of the Sparks club were visitors to the meeting of the Truckee Lions Club at Donner Lake Lodge last night. The meeting was presided over by Frank Fox, local club president.

Earthquake Shakes This Region But Without Damage

A sharp earthquake rattled dishes on shelves and shook this area briefly at about 10:15 a.m. yesterday. No damage was reported.

Reno was shaken more severely and merchandise was knocked from shelves and dishes broken. The shock was felt as far west as Sacramento where it was quite noticeable.

Tool Thieves Get \$1100 In Robbery

Construction equipment and tools valued at more than \$1100 were stolen in what officers believe was a daylight robbery Sunday at 3:30 p.m. at the Gordon H. Ball Co. plant at Hirschdale.

Deputy Sheriff Roy Waters was called to the scene by Al Banducci office manager, after Oliver Crandall of Verdi, an employee, discovered the burglary when he reported for work Monday morning.

Lester D. Neil, another employee, told Waters that while returning from Floriston he noticed a man standing in the door of the tool shed about 3:30 Sunday and presuming him to be another workman on the project, waved and continued on his way. It is believed that the man in the doorway was one of the robbers.

Entry was made by prying locks from the building. A nearby gasoline pump was broken, apparently as the thieves attempted to steal gasoline.

HAROLD WEAVER TO ADDRESS PTA HERE

Harold Weaver, superintendent of the Sierra College will be the principal speaker at a meeting of the Tahoe Truckee High School PTA to be held at the school cafeteria Thursday, April 9 at 8 p.m. He will discuss the school's curriculum and answer questions regarding the college.

Officers for the coming year will be elected at the meeting and in other important business the membership will vote on distribution of the \$600 scholarship fund held by the PTA.

Refreshments will be served. Everyone interested in the affairs of the organization or the subjects to be taken up are urged to attend.

ANGRY CAB DRIVER BLAMED IN MISHAP

A San Francisco taxicab driver who said he got mad at his girl friend after drinking an oversupply of whisky, landed her in the Tahoe Forest Hospital at Truckee and wound up in the Placer County jail charged with driving while intoxicated with injury to his passenger.

Highway Patrolman C. D. Wilson said John F. Pori, 52, overturned his automobile near Cisco Grove, causing injury to his passenger, Roberta J. Miller, 31. Both are from San Francisco.

He quoted Pori as stating he overturned his car when he became angered at his companion, with a view to killing both.

He was booked at the county jail after getting first aid at the Tahoe Forest Hospital. His companion remained in the hospital.

WORK IS RESUMED ON HIGHWAY ON SIERRA

The division of highways announced that clearing operations were started this week by A. Teichert and Son of Sacramento at the west end of the project to construct 7.9 miles of freeway on Highway U. S. 40 over the Sierra Nevada mountains. This project will cover the section of Highway 40 from 0.7 mile east of Baxter to near Emigrant Gap.

The contract calls for the construction of a four-lane freeway and three structures for the interchange of traffic. The structures will be located at the road leading to Drum Forebay, at Blue Canyon Road, and near Putt's Lake. The eastbound lanes of the new roadway will be constructed on new alignment. The existing highway is to be improved to freeway standards and will be used by west-bound traffic.

The division of highways will be represented on this project by Resident Engineer Ed Whitnack.

Mr. and Mrs. Ben Lobnow who spent several weeks at Esop, have returned here for the season.

Cleanup Date Set For April 11; Big Program Planned

Free Breakfast Offered As Community Off On Major Job

There are two important dates to remember as the cleanup, paintup program sponsored by the Truckee Chamber of Commerce gets into full swing this week.

The first is Saturday, April 11, when the first full-fledged community effort will be undertaken with a community cleanup program. Cleanup chairman N. F. Dolley announced at the meeting of committees presided over by General Chairman Zeph Rose and held at the high school Thursday, attended by 30 committeemen and other interested people, that he hopes to have the community cleaned up that day providing weather permits and a sufficient number of volunteers respond.

The day will start off with a breakfast at Smart's where a free stack of hotcakes and coffee will be furnished. Equipment, including dump trucks and loaders will be stationed there and drivers and volunteer crews will be assigned to various locations for a day of cleanup.

Home owners will be asked to cleanup their yards and have the debris in piles for the patrolling trucks. Unusable sheds and other structures, with the permit of owners, will be removed and a general house to house cleanup is planned.

TO GIVE NOTICE

A sound truck will patrol the streets on the day prior to the cleanup to remind residents of the big day to come and music will be furnished during the activities.

There will be a stand set up at the fire station well stocked with sandwiches and hot coffee and cold drinks from noon until 2 p.m. on April 11 for the convenience of workers, Chairman Dolley said.

Those needing transportation may call Eve Hallett at LU 7-3145.

Paintup Date

The second important date will be April 25 when it is planned to have the second community effort in a project to paintup the buildings in the alley in the rear of the main street. While details are still to be worked out on this project, Chairman William Englehart, Jr., said he is working closely with Ned Fisher, color consultant and artist with Pabco Paint Company and Lou Reel, area salesman for the same concern which is aiding the project by supplying color plans and other assistance.

Details of the paintup project will be worked out soon.

Rose, general chairman of the chamber committee, brought out many interesting points, all of which will be handled by the four committees—cleanup, paintup, publicity and finance.

Lee Apple, head of the finance committee, said the Bank of America is prepared to offer reasonable loans to those wishing to enter into the program and that incidental funds needed as the program advances, will be raised through individual efforts. As an example, a car-washing project is contemplated by the young people and other benefit programs will be announced from time to time.

Wide Publicity

Reel advised the committee members that his company would supply and operate a 16mm movie camera to record the progress of the project. These films will be prepared by Pabco and used throughout the country. It is also proposed to have the public relations department of Fibreboard Corporation, of which Pabco is a subsidiary, keep in constant touch with the local project and publicize it in a number of beneficial ways such as magazines and newspapers.

Paint at dealer's cost is being offered at both the Builders Service Center and Truckee Tahoe Lumber Company for those who desire. Other dealers, as well, are getting into the spirit of the thing and contractors are offering services in the project to make the cleanup, paintup here a real success.

The Committees

Rose this week announced his committees as follows: Cleanup, Fixup, N. F. Dolley, Charles Osburn, John Richards, Bob Tonini, Eve Hallett, Paul Quist, John Ciardella and Hap Warnke.

Paintup: Bill Englehart, Emery Lander, Callie Kydd, Jean Herron and Ivan Toft.

Publicity: Walter Barrett, Reg Smart, Bill Fowler, Betty Kiehofer, Bess Reid, Bob Moore and Frank Snyder.

Finance: Lee Apple, Dwight Roberts, Jim Morhain, Jesse Heller, Virginia O'Beare and Clarence Osburn.

Other names will be added from time to time so that all organizations in the Truckee Donner area will be represented, Rose said.

From Capital

Mr. and Mrs. William Englehart returned after a week in Sacramento. His friends are glad to learn of his marked improvement, following a recent illness.

INTEREST DECREASE SAVES STATE CASH

SACRAMENTO — State Treasurer Bert A. Betts accepted a bid on \$100,000,000 in general obligation bonds of which \$50,000,000 is for Veterans' Assistance Bonds at a net interest cost of 3.554 per cent, and \$50,000,000 in state construction bonds at a net interest cost of 3.563 per cent.

Over the life of this bond issue the decrease in the interest rate from the last sale in December will save the people of California over one-half million dollars. The bid was submitted by a syndicate headed by the Bank of America.

Betts stated that this was an improved market for our state's bonds. From the investor's point of view this indicates a better outlook regarding our State's credit. He said he also feels that this was brought about by the present administration's facing up to their fiscal responsibilities.

SCHOOL BOND ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of Tahoe-Truckee Unified School District of the County of Placer and Nevada, State of California, that in accordance with law, an election will be held on TUESDAY, the 19th day of May, 1959, in said District, between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of \$390,000.00 Dollars, for the purpose of raising money for the following purposes:

(a) The purchasing of school lots.
(b) The building or purchasing of school buildings.
(c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.
(d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
(e) The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.
(f) The permanent improvement of the school grounds.
(g) The carrying out of projects or purposes authorized in Section 18010.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition. Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year of the bonds have to run, and semi-annually thereafter. The number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof.

For the purpose of holding said election, the School District shall be and it is hereby divided into five (5) Bond Election Precincts, numbered from 1 to 5 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said School District, and of their respective Bond Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Bond Election Precincts, as hereinafter set forth: and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

BOND ELECTION PRECINCT No. 1 shall include all the area embraced in the Placer County General Election Precincts of Cisco and Summit and those portions of the Nevada County General Election Precinct of Soda Springs lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at Donner Trail Schoolhouse. Officers of Election for said Bond Election Precinct: Mrs. Lola Schull, Inspector: Mrs. Dorothy Bacon, Judge; and Mrs. Beverly Cardwell, Judge.

BOND ELECTION PRECINCT No. 2 shall include all the area embraced in the Placer County General Election Precinct of Brockway.

POLLING PLACE therein shall be at Kings Beach Schoolhouse. Officers of Election for said Bond Election Precinct: Mrs. Eda Jind, Inspector: Mrs. Winona Hall, Judge; Mrs. Marguerite Mandeville, Judge.

BOND ELECTION PRECINCT No. 3 shall include all the area embraced in that portion of Nevada County General Election Precinct of Floriston lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at U. S. Post Office, Floriston. Officers of Election for said Bond Election Precinct: Mrs. Janice Hamilton, Inspector: Mrs. Ruth Helman, Judge; Mrs. Clara Ingram, Judge.

BOND ELECTION PRECINCT No. 4 shall include all the area embraced in the Placer County General Election Precinct of Tahoe.

POLLING PLACE therein shall be at Tahoe Lake Schoolhouse. Officers of Election for said Bond Election

NEW SPEED LIMIT TO BE EFFECTIVE JAN. 1

"The new 65 mile an hour speed limit will not become effective until next January 1st," Sergeant F. H. Snyder officer in charge of the California Highway Patrol's Truckee substation, declared today.

"Our officers already are reporting they have stopped motorists for speeding only to have the motorists protest that they were not exceeding the new 65 mile an hour limit," Sergeant Snyder continued. "They even act offended when officers explain that the new law is not yet in effect and won't be until the first of next year."

The local CHP commander said the patrol approves the new law because of the favorable effect it is expected to have in regard to traffic law enforcement and highway safety.

"Under the new law, a motorist who exceeds 65 an hour will be violating the law, period," Snyder declared. "No longer will there be any question of whether it was 'safe' to drive at the excessive speed. We believe this will tend to curb 'lead foot' drivers who think it is safe for them to drive at any speed they want."

"The severity of accidents increased greatly at speeds in excess of 65 miles an hour, and by cutting down on the comparatively few drivers who now habitually exceed that figure, we will be able to reduce the death toll on our highways."

POLLING PRECINCT: Mrs. Bernadette Becholt, Inspector; Mrs. Beccy Shontz, Judge; and Mrs. Betty Starratt, Judge.

BOND ELECTION PRECINCT No. 5 shall include all the area embraced in those portions of Nevada County General Election Precincts of Donner Lake and Truckee lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at Truckee Elementary Schoolhouse. Officers of Election for said Bond Election Precinct: Mrs. Lucile Bick, Inspector; Mrs. Esther Fox, Judge; Mrs. Gertrude Rablin, Judge.

Each qualified elector of said Tahoe-Truckee Unified School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

The governing board of the School District shall meet on the seventh day after the election at its usual meeting place at 8:00 o'clock P. M. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 12th day of February, 1959.

Jack Felte, Herbert P. Obexer, R. E. Smart, Hilda D. Hintz, B. K. Miller, members of the Governing Board of Tahoe-Truckee Unified School District, of Placer and Nevada County, California.

NORTH TAHOE

By JUDGE HARRY CHARRISON

DOUBLE HEADER

Crystal Bay Club had two big nights last week. Friday, the El Tahoe Shrine put on a night of fun with about 250 people. A band of Shriners distributed some wonderful music and had the floor full of dancers. On Saturday, open house was held; the place was filled to the rafters, thanks to the management. It was greatly enjoyed by all, also Mac, Johnny and Slim, appreciate your patronage thru the

year 58 and hope for a continuance of the same.

WEATHER

Easter Sunday morning came up clear and beautiful.

SOLD

The Pine Cone Motel has been purchased by Mr. and Mrs. William McDonald of San Francisco. The McDonalds have 3 beautiful young daughters. They are taking possession almost immediately. Bud Jones made the sale. There is a lot of changing hands going on in the area.

WEE BABE

Mr. and Mrs. Todd Ronald Wilcke are the proud parents of a baby

boy, born March 24th at the St. Mary's Hospital. Noleen is the daughter of the Noel Hulberts of Kings Beach. Her husband is presently in Korea. Noleen and her son are staying with her parents for a while. The baby weighed in at 7 lbs. 1 oz. and the given name of Todd Ronald. Congratulations.

EGG HUNT

It was a great day for the kiddies when the Brockway Club staged their annual egg hunt at the Brockway Theater last Saturday. Many thanks to Jack Neugebauer for the use of same, who also donated the building to the Community Methodist Church for the Easter Service. Thanks again, Jack.

TRIP

My wife and I took a trip to Auburn last week and when we arrived home at night some kind neighbors had cleaned up our yard, stacked our wood, raked the lawn, and we could only think if we all could show more kind deeds toward our friends, how much happier we could all be and live by the Golden Rule. Our heartfelt thanks to our many friends.

MORE FRIENDS

We saw Mac Burroughs in Auburn. Although somewhat under

ANDERSON SPEAKS FOR RON CAMERON

FORESTHILL — Lt. Governor Glenn M. Anderson, speaking before members of California's 7th Senatorial district honoring Ron Cameron for Senator meeting tonight said that "there is always a need for a man who understands our water problems of the state in the California Legislature."

Lt. Gov. Anderson said, "We need a senator from this district who will bring understanding of your problems to the senate. Ron Cameron understands the basic issue of water, the budget and the need for the tax program that has been presented by the administration."

NOTICE

On and after this date I will not be responsible for any bills of obligation contracted for in the name of Donner Kitchen. A2c L. F. Webster

CATS

Carrie Mercer phoned to say she is so happy to have her pet cat home, but only through a friend who had seen a woman who had it. Congratulations, Carrie.

VISITING

Nell Barkhurst tells of a visit from Florence Johnson, the former Mrs. Muford Miles, now living at Fair Oaks. Of course her husband was along and they brought their grandson to do some skin.

COMING ALONG

Our old friend, Fred Rockholm, has arrived home from the Memorial Hospital at Redding where he underwent an operation. We all hope he will continue to progress rapidly in health.

Local Visitors—

Mr. and Mrs. Dale Smith of Grass Valley, accompanied by their son, Gared and family from Balboa visited here Tuesday and drove up to see the progress at Squaw Valley.

To California

...a glass of beer
is many things

Visiting the fabulous Top o' the Mark is a "must" in San Francisco. And in keeping with the smooth, relaxed pace of the Mark, there's nothing like a glass of beer. It's most Californians' idea of the truly light refreshment.

And beer means more than light refreshment to Californians. It's a substantial force in their economy. In 1958, for example, more than \$27 million of this state's revenue was made possible by the Brewing Industry . . . just one more reason why beer means better living for Californians.

DONNER SUMMIT NEWS

BY DONNA POWERS

SNOW

Following a long period of warm sunny weather the first day of spring was followed by several days of light storms. This, we in Soda Springs ski area welcome. We and the valley sportsmen can look forward to skiing longer into the spring season.

SKI COMPETITION

The children who live in the ski area as well as those who visited us during the Easter vacation all enjoyed the excitement of competing in the many ski meets held this week on all the ski hills. The Soda Springs ski hill was the sight of the Annual "Beer Slalom Race." In this race a couple must run a slalom course stopping at given points and downing a portion of beer before continuing through the

course. The couple making the best time wins. This year the honors went to Jackie Bishop and her team mate, George Oldershaw. The judges of the Easter hat parade chose Janice Kelly's hat to be the most original and Nancy Williamson's as the most beautiful. Another slalom fun race for the kids was won by Debby Zorich. Janice Kelly took second place.

Sugar Bowl Junior Championships were won by: Wayne Miller class 1 boys, Mary Helen Reich class 1 girls, Ted Lerch boys class 2 racer, Sherrie Thatcher girls class 2 racer, Don Glisen boys class 3 racer, Pat Froinechee girls class 3 racer.

HOUSE GUEST

Mr. and Mrs. Vince Lyddane were happy to welcome Mrs. Sciasio of San Francisco to their Soda Springs home. Mrs. Sciasio is Mrs. Lyddane's mother.

EASTER DINNER

The Donner Summit Lodge welcomed many residents and busi-

ness people in the Soda Springs area to a get together dinner on Easter Sunday. The delicious ham dinner was graciously served in a charming atmosphere at the lodge dining room.

EASTER BREAKFAST

The students of the Donner Trail School, together with their friends, very much enjoyed the breakfast served to them at Beacon Hill lodge Easter Sunday morning. Following the meal of scrambled eggs, bacon, toast and cocoa each child was given an Easter basket of candy eggs. The basket was used to collect the colored eggs found by the children. Elizabeth Koester won the prize for finding the most eggs her total being 17. Roberta Kaiser was runner up finding 11 eggs.

Eleven square leagues of land comprising New Helvetia (Now Sacramento) were granted John Augustus Sutter by the Mexican Government June 18, 1841.

VETERANS INSTALL OFFICERS AT LAKE

CRYSTAL BAY — Installation ceremonies for the 1959 officers of the Veterans of Foreign Wars Post No. 7077 and the Auxiliary will be held Sunday, April 5 at p.m. at Crystal Bay Club.

Past Department of Nevada Commander Joe Feldstein of Reno will install the following post officers: Robert Moore, commander; Bob Molsberry, senior vice; Charles Rich, junior vice; Bill Elliot, adjutant and Jim Hilgison, quartermaster.

Department of Nevada President Bea Davignon of Fernley will install the following Auxiliary officers: Sophia Levra, president; Pearl Martin, senior vice; Vera Woods, junior vice; Pearl Moore, conductress; Louise Walters, chaplain; Nola Elliott, guard; Pearl Francis, treasurer and Bea Snell secretary.

The following appointive officers

GREGORY POPE IS FETED ON BIRTHDAY

KINGS BEACH — Gregory Pope, son of Mr. and Mrs. Walter Pope, of Kings Beach, celebrated his ninth birthday on March 23rd, at a party given at his home.

After the traditional cake, ice cream and punch, games were played and prizes won by Nancy Barker and Jeff Mally.

Those attending were Mitchell Abbott, Nancy Barker, Ann Felte, Jeff Mally, Martha Pope, Mrs. Lynn Magill, Mrs. John Levra and Mrs. Walter Pope.

also will be installed: Wilma Croom, Estelle Seaguit, Chris Hoffman, Peg Mandeville and Lolita Decker. A chicken dinner at \$1 per person will be served immediately following the ceremonies.

Kit Carson, famous scout, died at Fort Lyon, Colo. May 23, 1883

TAHOE AREA GROUP TO ORGANIZE SOON

CRYSTAL BAY — The Lake Tahoe Area Council, little more than a dream a year ago, will become a full-blown, active organization within the next three weeks. Through a series of meetings starting on April 6 and ending with an "organizing meeting" on April 17, membership will move from a skeleton planning force into a complete organization which will put carefully designed machinery into motion.

The direction that machinery will take will be to guide and control the inevitable growth and development of the Lake Tahoe Area "in an orderly manner." It was to build a solid framework of "planning, coordinated action, unity and exchange of information" regarding the development of the two-state, five-county area that the Lake Tahoe Area Council was formed in June, 1958.

According to Fred Schultz, chairman of the council's executive committee, public meetings will be held at Lake Tahoe, San Francisco, Sacramento and Reno the week beginning April 6th to give people from all areas an opportunity to review the Council program and operational plans.

Times and places of these meetings are:

Lake Tahoe, Sage Room, The Wagon Wheel, April 6; 1:30 p.m.
San Francisco, Auditorium, Public Health Building, April 7; 1:30 p.m.
Sacramento, Highway Commission Hearing Room, April 8; 10 a.m.
Reno, Auditorium, State Building, April 9; 1:30 p.m.

Principal purpose of the meetings is to present the detailed program to those who have already expressed interest in the council so their ideas can be incorporated as plans are expanded. The program was developed by H. L. Hensley & Associates, public relations consultant for the council.

These meetings will also afford an opportunity for interested organizations and individuals to apply for membership in the council.

CHURCH NOTES

CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS

Tahoe City Community Center
Sunday School — 11:15 a.m.
Sacrament Meeting — 12:15 p.m.
Priesthood Meeting — 1:00 p.m.

ST. NICHOLAS CHURCH

Protestant Episcopal
At old Southern Pacific Building
1/4 mile South of Bridge Street at Tahoe City.

All are welcome to attend the services.

Morning prayer and sermon, 11 o'clock.

Sunday school, 9:45 a.m.

Community Center building.

For information concerning activities call JU 3-3329.

COMMUNITY METHODIST CHURCH

Kings Beach
Bear and Dollyvarden Streets
Rev. Earl Leonard Langguth, Pastor

Sunday School (All ages) 9:45 a.m.

TRUCKEE BIBLE CHURCH

(Non-denominational)

Roy S. Rhoades, Pastor

Sunday school, 10 a.m.

Morning worship, 11.

Prayer and fellowship 7 p.m.

Next Sunday we shall observe the Lord's Supper in the morning worship service. Pastor Rhoades will focus attention on the global scene in the light of Scripture. We are certainly alert to the powder keg situations existing in world conditions. What does the Bible have to say about these things? The message will be taken from the Book of II Kings, chapters 17 through 22; the sermon entitled: "I Have Found the Book".

CHURCH OF THE MOUNTAINS

(Methodist)

John Albert Taylor, Pastor

Phone Luther 7-3697

Church school, 7th grade and above, 10:15 a.m.

Pre-school and elementary grades, 11 a.m.

Morning worship, 11 a.m.

All of the systems of mass communion fill our eyes and ears with the tragedy and terrible of man's existence. But yet, crime and debauchery will touch very few of our lives. Most of us will never make headlines because of our criminal activities. But, on the other hand, few of us will inspire other men with our greatness. Most of us will be satisfied with a kind of "middle road" existence, neither very bad nor very good. We are content to be mediocre. Pastor Taylor will discuss this topic in Sunday's sermon, entitled, "Malicious Mediocrity."

After this year, council members will be elected. But to get a start with a full working body of membership, those who apply at any of these four meetings, or at or before the April 17 organizing meeting, will become members for the rest of this year.

Applicants will be voted in at the April 17 meeting at Harrah's Club, Lake Tahoe. At the same time, the new membership will elect directors, officers and trustees for the remainder of 1959.

EASTER EGG HUNT AT BEACH BIG SUCCESS

KINGS BEACH — The annual Easter party given by the Rotary Club of Brockway held on Saturday afternoon was a success. A matinee was held at the Brockway theater followed by an egg hunt on the golf course.

Those lucky children winning prizes were: pre-school, Rickey Lee Prouty and Patty Rich; for the kindergarten group the names were

not available; 1st grade: Rickey Decker; 2nd and 3rd grades: Jerry Neugebauer and Marie Gardner; 4th and 5th grades: Mary Ann Bal-lou, Mark Moore and Mary Ann Moore; 6th and 7th grades: Raymond Hill and Kim Molsberry.

As usual the residue of treats will be taken to the Sunny Acres School at Carson City.

The Rotary Club wishes to take this means of thanking all those kind persons who helped to make this gala afternoon a success.

LETTERS TO EDITOR

Dear Sir:

In connection with the special election for State Senator on April 7, 1959, I have learned some interesting facts which I feel should be called to the public's attention.

I have noticed that the bumper strips and campaign brochures of Ron Cameron all bear the label "Made in Los Angeles", and I understand that his campaign is being directed by a Los Angeles ad-

vertising specialist. It seems that his entire campaign is "Made in Los Angeles".

Coupling these facts with his strange silence on how he will legislate on water issues, I can't help wondering if his views on our local "county of origin" water rights are not "made in Los Angeles" too.

Is he so committed to the present administration that he will go along with the plan now being pushed in Sacramento of develop-

ing our water for export only? Yours very truly,
P. Vander Wende
P. O. Box 906
Grass Valley

To Wed—
Richard T. Cagle, 33, and Denise J. McTwigan, 19, both of Kings Beach were issued a marriage license at Reno, Nevada.

It has been estimated California had 4,760,000 homes in 1958.

On March 10, the California Public Utilities Commission handed down a 3-to-2 decision denying, for the most part, our applications to discontinue certain little-used California passenger trains. This decision has caused some misunderstanding of our feelings about passenger train service. THE TRUTH IS...

WE WANT TO RUN PASSENGER TRAINS

We're in the business of running trains—both passenger and freight—and we expect to be running them for a long time to come. We want to make it very clear just how we feel about our passenger service.

- 1 We want to run passenger trains that you need and use. We welcome passenger business and we hope more people will ride our trains.**
- 2 We want our passenger trains to be good trains. We think our passenger service is as good as any in the country...and we intend to keep it that way.**
- 3 We feel, however, that it is only sensible to discontinue those trains which so few people use that the trains obviously are no longer needed.**

ARE WE ACTING IN THE PUBLIC INTEREST?

Yes! Say these Commissioners...

Recently, C. Lyn Fox, President of the California Public Utilities Commission, and Commissioner Matthew J. Dooley, who presided and heard all evidence at the hearings, took sharp issue with many opinions expressed in the March 10 decision of the other three Commissioners.

In their dissenting statement Commissioners Fox and Dooley said that Southern Pacific "... is to be commended rather than condemned for initiating economies designed to reduce its out-of-pocket loss and thus enable it to continue on a reasonable basis a public passenger service which will meet the public need and convenience as demonstrated by present usage."

They further said, "... Southern Pacific ... has met fully the burden of proof necessary to sustain its application..."

"In no instance does the daily average number of through revenue passengers carried between major termini by any one of these six trains equal one bus load. To require applicant to continue to provide railway passenger service for a single bus load of passengers is uneconomical in the extreme."

The dissenting Commissioners pointed out that, although they were keenly aware that a utility incurs an obligation to meet demands of public convenience and necessity, as an economic factor any deficit suffered due to passenger train losses must be subsidized by agricultural, industrial and governmental shippers. They said that in the present case the majority decision "ignores the economics of the situation in general and of California shippers ... in particular."

The two Commissioners further stated that they had "... been unable to find in the record any evidence indicating, in the slightest degree, any lack of integrity in applicant's presentation. In this connection it is significant that the presiding Commissioner ... found no lack of integrity in their development and presentation."

And they concluded, "There comes a time when those charged with the responsibility of regulating public utilities should face up to the facts of change and act with objectivity and reason. That time has arrived in the State of California."

NEWS NOTES
FROM TAHOENAOMI McLANE
Box 711, Tahoe City — JU 3-3187

Spring is not my favorite time of year—until it is practically summer, but these days are lovely with their April changeability. The sunlight of Spring has a silver quality which will do until the gold of Summer comes.

The Harry Gardners, former owners of Waleswood Lodge, were up from Atherton during Easter Week.

Cold and wind did not dampen the enthusiasm of young Easter egg hunters on the Common Sunday. Most of the children in town turned out to take part in this traditional sport which is sponsored each year by our fire department. The gay colors of the children's dress were as sure a sign of spring

POLITICAL ADVERTISEMENT
To All of the People of the
7th Senatorial District

With complete disregard for the pre-determined policies of the organized politicians and their followers who parrot their glib phrases blindly, by consulting many hundreds of you, the people, I have determined that a sizeable majority in the 7th Senatorial District would desire the following from their representative in the Senate.

1. An orderly development of the natural resources, and a sound economic development of the entire area, based on a common sense approach with positive guarantees to the counties that the people in those counties would benefit.
2. An overwhelming objection to the governor's desire to completely abolish capital punishment.
3. An overwhelming objection to unwarranted tax increases, some of which are presently being considered.
4. A fair share of state funds for the improvement of roads in Sierra, Nevada and Placer counties.

Since this is your desire in the above matters, and if your confidence and vote elects me as your representative to the Senate, I will do everything in my power to see that your desires are met.

It has been my pleasure to campaign the past several weeks as a candidate for State Senator in this district. Due to the size of the area and time running out, it has become impossible to meet each of you personally before election day April 7th. To the hundreds of you I have met and to those I have not, let me say, that I am deeply appreciative of the courtesies extended and the many helpful suggestions offered.

This is a paid political advertisement paid for by me.
Bill Finger
Candidate for State Senate

JOHNSON NAMED
ON TRUMAN GROUP

WASHINGTON—Harold T. (Bizz) Johnson, second district, Calif., has accepted an invitation to serve as a member of an honorary committee in connection with the Truman Diamond Jubilee. The committee will head the nation-wide celebration of former President Harry S. Truman's 75th birthday, May 8.

Highlight of the May 8 celebration will be a nation-wide closed circuit 90 minute television program which will feature outstanding persons in the stage, movie, television, and music worlds. The program will dramatize the highlights of Mr. Truman's life and his prominent place in national and world affairs.

as any lower elevation garden might be at this time of year.

Leah Howard, daughter of Phil and Carolyn Howard, celebrated her ninth birthday this week with a party for several of her friends. Diane McBride, Janet Jorgensen, Barbara Neilsen, Nancy Beavers, Lisa Beckman, and Leah's sisters, Colleen and Julie, all helped to mark the important day.

Mr. and Mrs. Phil Geier have had their granddaughter, Susan Bailey, to visit for several days of the Easter holiday. For the Easter weekend the Geiers drove to Lovelock, Nevada, to visit the Lee Madens who moved there from Kings Beach some time ago.

Mr. and Mrs. Howard Guth are each home again. Mrs. Guth home from her trip to Ohio and Howard from his unplanned stay in the hospital.

Mr. and Mrs. Bretzfelder were hosts for the holiday week to their daughter and son-in-law, Mr. and Mrs. Ray Elman from Los Angeles. With the Elman's were Mr. and Mrs. Sam Biren and their three sons all of whom took in all the skiing they could until various sprains, falls, pulled muscles, etc., incapacitated several members of the party. None of these ills was bad enough to detract from the birthday celebration of eleven year old Stanley Elman on March 28th, who besides his parents and grandparents, had his sister, Jane, and his friends, Matthew, Evan and Jordie Biren, join in a birthday feast.

Mrs. Maisie Carnell presented a remarkable choir of the children and young people of the Corpus Christi Church at Tahoe City. Their Easter music was lovely, we hear. The youngsters sang at the Holy Thursday services at the Truckee Catholic Church, too. Mrs. Pat Vanni accompanied the choir.

Sue Larson daughter of Mr. and Mrs. C. J. Larson of the Royal T Motel, had a strep throat through the first days of the Easter Holiday but was well enough to have Sue Holland of El Cerrito as a guest for the last several days of the week.

Paty Lewis and Jeanne Spitsen each have charming new coiffures (or could it be "Coiffeuses"? ? ?) for the Springtime season.

STATE SPECIFICATION ROCK

**BRONSON WILL HEAD
 ROAD COMMITTEE**

John O. Bronson was appointed chairman of the highway committee for the State Chamber's Sacramento Valley District, according to announcement by T. H. Richards, Jr., regional vice president and director of the state chamber. Bronson heads the John O. Bronson Company, active Insurance Agents in the capital city.

He will succeed W. J. Tunison of Westwood, Lassen County, who has effectively chairmanned the regional committee for the past several years.

In announcing the appointment, Richards indicated that he was particularly pleased to have a man with Bronson's highway experience assume leadership of the committee dealing with highway problems affecting the 19 Northern California counties. Bronson recently completed a term of service as a member of the state highway commission and last month was selected as a Sacramento city councilman.

He has long been an active member of the state chamber's highway committee and previously chairmanned a similar committee for the local Sacramento city-county Chamber of Commerce. "He is personally acquainted with highway problems and highway leaders throughout the Sacramento Valley District and so will have no difficulty in assuming his new assignment," Richards said.

**ILLEGAL LIGHTS ARE
 RAPID BY PATROL**

Illegal use of automobile lights may be a greater factor in traffic accidents than the records show, believes Sergeant F. H. Snyder, officer-in-charge of the Truckee sub-station of the California Highway Patrol.

"I have long been of the opinion that eye fatigue and momentary blindness caused by the lights of other vehicles contribute to many accidents although they are not the principal cause," Snyder said. "At the very best, illegally used lights cause irritation that must have some psychological effect upon the motorists."

Sergeant Snyder pointed out that the California vehicle code requires the use of the low beam on headlights both when meeting and when following behind another car. The low beam must be used when within 500 feet of an oncoming car. The low beam must be used when within 500 feet of another car when within 200 feet of a vehicle which is being followed or about to be overtaken.

"It takes only the slightest kind of pressure on a switch-button to change the light beam from high to low," he declared. "This doesn't seem like too much to do to make night driving a little easier and a little safer for the other person."

Captain Juan Bautista de Anza required seven months, lacking one day, to complete his second colonization expedition to San Francisco from Mexico.

**DEER REGULATIONS
 WILL BE UNCHANGED**

California's deer seasons this year would follow last year's pattern, except for a one-day rollback to permit the usual Saturday openings, if the fish and game commission sees fit to adopt recommendations announced today by the department of fish and game.

The commission will meet April 3rd in Los Angeles to receive recommendations from the public as well as from the department. Suggestions from the public also may be submitted in writing in advance. Regulations will be set at the May 29th meeting in Sacramento, except for waterfowl, doves and pigeons (these are set in August after federal authorities establish the framework).

At the May meeting the department will submit its recommendations for any special deer seasons needed to prevent further damage to ranges and will submit recommended regulations for special, restricted seasons on antelope in northeastern California and elk in Owens Valley and Humboldt County.

The proposed deer season would be as follows: Early, August 1st to September 13th; inland, September 19th to October 25, all dates inclusive. Archery: Early, July 18-27; inland, September 5th-14th. All bag limits would remain the same.

Ponce de Leon, Spanish explorer, discovered what is now Florida in March, 1513

First some foothill Pendergasts in both parties made a mockery of the democratic process at the Grass Valley "endorsement" conventions. Now the "endorsed" Republican promises to Vote No! on all new taxes in one breath, but advocates new roads, state parks, dams, and reservoirs in the next. The "endorsed" Democrat frantically rides the coat-tails of the high and the mighty. Both "endorsed" candidates are being handled by professional managers and advertising agency experts. Their campaigns are mainly financed with outside money. (Conservative estimate: \$30,000). I have no shop-worn slogans; I owe no debts to special interests. My supporters in the 7th District raised \$850 via small contributions, a potluck dinner, and a rummage sale. It is these people and voters like them whose endorsement I seek on April 7.

SUMMIT SKIING IS REPORTED AS GOOD

NORDEN — In the Walt Disney perpetual trophy race Easter at Sugar Bowl, a large field of contestants entered with Gregg Moore of Squaw Valley making the best time for boys and Betty Reich of Sugar Bowl fastest for the girls. Jenny Schachtly was winner for the group under eight years of age.

The second eagle standard test of this season is slated for Saturday, under favorable conditions.

The national veterans (senior) giant slalom will be held at Sugar Bowl Sunday, the course being set by Willi Schaeffler, Olympic ski events director. Competing in the class I will be Yves Latreille and Junior Bounous, among others. Bill Klein is favored in the class II event. Forty to 50 racers are expected to compete.

There are seven feet of snow, with ten inches of new snow in the summit area and all facilities are in full operation.

Party At Rose Home—

Mrs. Zeph Rose entertained Monday evening in her Gateway Park home with cards as a pleasant diversion. Refreshments were served following the play.

DISTRICT AFFAIRS

Continued from Page 1

the three most recent years, and was very low in the 12 months ending June 30, 1959. There appears to be little prospect for improvement under the present rates.

The recent sale of a number of parcels of land not required by the district for its utility operations has materially strengthened the district's financial position.

The present favorable cash position of the district resulting from the sale of land should be conserved for use in the utility business as required and for special studies looking toward the future which has not been possible to undertake heretofore.

The existing situation of unified responsibility and division of authority in the management of the district's operations consequent upon the retirement of the general manager should be resolved and clarified.

Minimum Employees

Present operations of the district are efficiently carried on by a minimum number of employees.

The district enjoys a very favorable arrangement for the purchase of its power supply and has been fortunate in being able to retain this schedule since the electric system began operation under district ownership.

The electric business of the district has grown substantially in the past three years, some phases of it at rates of growth well ahead of national trends.

Water usage has also expanded, at declining average cost to the customer.

Although there have been some problems of low voltage at the end of long electric lines, electric service is generally good and up to modern standards.

The district's water service is good, with the exception of low pressure problems in certain area which are in the process of being corrected by the installation of new tanks and other improvements.

Future Planning

The board has been constantly alert to the need to plan carefully for the future and has before it a complete report outlining the growth in the electric department load of the district up to 1980, together with recommendations and plans, and the cost thereof, for meeting such expected expansion.

The electric rates of the district compared favorably with those in other similar communities in California.

The water rates appear to be too low to yield an adequate revenue to the water department to meet its costs.

The present system of accounting used by the district is a simplified version of one made effective for regulated utilities in California in 1913. The district should seriously consider the adoption of a more up to date system of accounts.

Details Available

The report goes into detail on the above conclusions but throughout offers only suggestions to improve the present system and finds no fault with the operations.

A copy of the report is at the district and anyone interested is invited by the board of directors to scan it in its entirety.

JOHNSON WILL BACK CAMERON FOR POST

Ron Cameron, democratic candidate for state senator in next Tuesday's special election, has received the endorsement of Harold T. "Bizz" Johnson. Cameron, who seeks to fill the vacancy created when Johnson was elected to congress, announced the support following a conference with the congressman at the Cameron for Senator Headquarters in Auburn. Congressman Johnson is currently on an Easter congressional recess tour of his district.

WARDS ESCAPE FROM HOMES LESS OFTEN

Sacramento — (CNS) — Wards of the California Youth Authority aren't escaping so much these days.

The CYA reported 222 escapes during 1958, from a total of 6,068 admissions to institutions. This compared to a total of 404 escapes during 1952, when the admission rate was 3,500.

The authority reported all escapes or attempted escapes are recorded and procedures to deal with such possibilities are developed, probably accounting for the reduction.

\$50,000,000 IN BONDS ARE SOLD BY STATE

State Treasurer Bert A. Betts this week delivered to a syndicate headed by the Bank of America \$50,000,000 of state construction bonds. One hundred million dollars of general obligation bonds were sold March 11, 1959; the \$50,000,000 Veterans' Assistance bonds will be delivered at a later date.

Upon receiving the \$50,000,000 check Betts noted that the construction bonds consisted of fifty thousand \$1,000 bonds for a total weight of one ton. One and a half million coupons were attached to these bonds making up this weight load.

The entire construction bond issued of \$200,000,000, authorized by the voters in 1956, will be used for state colleges, University of California, department of corrections, youth authority and mental hygiene.

The New York International Airport (Idlewild) at Jamaica Queens, is one of the world's largest commercial airports.

TRAILER SPEED WILL BE ENFORCED AT 45

The speed limit for vehicles towing trailers on public streets and highways is 45 miles per hour and this limit will be strictly enforced, reports the California Highway Patrol.

Bradford M. Crittenden, commissioner of the patrol, noted that the 45 mile per hour limit is a fixed maximum and not a "prima facie" limit.

"This simply means that any motorist who exceeds 45 miles per hour while towing a trailer is in violation of the California vehicle code," Crittenden declared. "He will not be able to plead that existing conditions made it safe for him to exceed that speed."

The speed limit applies to all passenger motor vehicles regardless of weight and to commercial motor vehicles weighing less than 4,000 pounds when towing any trailer coach, trailer, semi-trailer, or other type vehicle.

Crittenden noted also that the vehicle code requires motorists drawing trailers to have proper lighting, approved connections between car and the trailer, and adequate rear-view mirrors.

"More detailed information concerning the rules and regulations governing towing of trailers may be obtained from any office of the California Highway Patrol," the commissioner said.

The California Historical Society headquarters are in an 1896 mansion at 2090 Jackson Street, San Francisco.

The University of Pennsylvania was founded as the William Penn Academy in 1753.

NEW DRUGS

New and more effective drugs are reaching us almost daily. The rapidity with which these medicaments are becoming available makes stock-keeping a problem for the average pharmacist.

We try very earnestly to keep abreast of the new developments in order to fill prescriptions promptly and with exactness. When we do not have an item in stock we can obtain it almost immediately from one of several reliable sources. Won't you try us the next time you have a prescription to be filled? You will be assured of accuracy if you do.

Tarzan

by EDGAR RICE BURROUGHS

INTO TARZANLAND'S PEACE PARACHUTES AN UNINVITED MAN. IT FEELS THE MAN IN THE PARACHUTE-- IN DIRE PERIL-- IS AN INTRUDER... BUT TARZAN IS DETERMINED TO RESCUE HIM.

TARZANLAND'S 'EVENING STAR'-- THE MAN IN THE PARACHUTE-- HAD BEEN WIND-BLOWN AGAINST THE GREAT CLIFFS!

BUT, TARZAN! WE DIDN'T INVITE HIM! WHY MUST WE HELP HIM?

I HOPE HE'S DEAD! I DON'T WANT HIM IN TARZANLAND!

THAT'S NOT A NICE WISH! I THOUGHT YOU'D GROWN OUT OF BEING A LITTLE SAVAGE!

HE MUST HAVE BEEN KNOCKED OUT WHEN HE SMASHED INTO THE ROCKS.

STEER HIM INTO YOUR LEDGE AS I LOWER HIM TO YOU! CAREFULLY!

I DON'T LIKE HIM... LIVING HERE WITH US! MAYBE HE'LL DIE!

THAT'S NOT OUR CREED, ITO! FATE BROUGHT HIM TO US, AS FATE BROUGHT US HERE. WE MUST SAVE HIS LIFE-- IF WE CAN!

I'LL FREE HIS 'CHUTE AND DROP IT DOWN-- WE CAN USE THE CLOTH.
